

About Us

Investing significant amount of money in a residential or commercial project requires a trust and a confidence.

Earning that trust and keeping that promise is a part of who we are and why we've been in business for 15 years.

We have been in business since 2010, and have always worked to deliver a quality product and be responsive to our customers.

Our reputation in the community of Ironton, OH, is important to us and part of who we are as a business and as your neighbors.

As we celebrate our 15th anniversary, we believe it's because every team member is committed to achieving just one thing: your satisfaction.

Make Your Dream a Reality!

Your Ideas

Our Expertise

We feature a full line of audio, video, automation and security solutions to provide you an extensive range of options for commercial, corporate and residential installations.

Today, there is an unparalleled array of entertainment, media and automation capabilities. We can help you manage today's technology and entertainment- so it's easy to use - by everyone in the family.

Let us show you how simple entertainment, automation and security can be when you're in

- HOME AUDIO
- HOME AUTOMATION
- HOME NETWORKS
- HOME SECURITY
- HOME THEATER

Our Experience

We focus on quality of design & sales process, products, installation and responsive support for the short & long term.

We specify, install and support smart home technology, home theater, home audio and merge automation, security and control into a new level of simplicity in the modern home.

We are a family oriented business with strong ties to the community and deep commitments to our clients. While we don't claim to deliver the lowest price, we do claim to deliver the highest value.

We are a small, locally owned business that is after one simple thing:
Your Satisfaction.
